DECLARATION

We, the students enrolled in the **Sixth** semester of the B. Tech program in **Computer Science & Engineering** at CSMSS Chh. Shahu College of Engineering, Chhatrapati Sambhajinagar, hereby asserts that our Mini Project work titled "**Smart Event Safety & Realtime Crowd Coordination Platform**" submitted to Dr. Babasaheb Ambedkar Technological University, Lonere, Raigad, during the academic year **2025-26 Part - II**, represents original research conducted by us.

This Mini Project work is presented as a partial fulfillment of the requirements for the Bachelor of Technology degree in **Computer Science & Engineering**. The findings presented in this report have not been previously submitted to any other University or Institute for the purpose of obtaining any degree.

ACKNOWLEDGEMENT

We take immense pleasure in presenting this mini project report, as this page provides us with the opportunity to convey our heartfelt emotions and gratitude.

We extend our sincere thanks to our guide, **Prof. A.**, whose guidance was invaluable at every step of this project. His motivation and confidence-boosting efforts were instrumental, and we acknowledge that this work would not have been possible without his support and encouragement.

Special appreciation is also extended to the Mini Project coordinator, Prof. A.G. Kadam, for guiding and motivating us throughout the project. We would like to express our gratitude to the Head of the Department, **Dr. S. P. Abhang**, and the respected Principal, **Dr. G. B. Dongre**, for providing valuable resources and dedicating their valuable time to review our report.

Finally, we express our thanks to all the staff members of the **Computer Science & Engineering** department and our friends, without whom the completion of this project would not have been possible.
